To Whom It May Concern,

It is with immense pride that I recommend Dr. Mohsen Dirbaz, who has devoted 100 hours to Transitional Training Services. Throughout, Dr. Dirbaz consistently showcased commitment to our mission, leaving a lasting mark on our ROSC initiative efforts.

ROSC, a coordinated network of community-based services, is person-centered, emphasizing the strengths and resilience of individuals and communities. Our goal is recovery, ensuring enhanced well-being for those at risk of substance use disorders.

From the onset, Dr. Dirbaz deeply resonated with ROSC's mission, becoming its beacon. He believed in fostering a culture that recognizes and nurtures recovery. He has significantly aided in strengthening our capacity, supporting the recovery-oriented system of care.

His dedication to our goals was evident daily. Dr. Dirbaz has been instrumental in our endeavors towards a sustainable recovery-oriented system in Illinois. His contributions have accelerated our progress, amplifying our capacity, and solidifying our commitment to the recovery-centric system.

Dr. Dirbaz's dedication and proficiency have immensely benefited Transitional Training Services and strengthened the ROSC initiative in Illinois. We're confident that any organization he associates with will immensely gain from his dedication and expertise.

For further details regarding Dr. Dirbaz's association with us, please contact us. I vouch for Dr. Mohsen Dirbaz, confident in his continued positive impact.

Sincerely,

Marjorie Howard
